

**Bible Study**  
**1 Samuel 23 & 24**

1. What does David do when he hears that the Philistines are attacking Keilah? How do his men respond when they are directed to save Keilah? Why? How does David respond?
2. What does Abiathar bring with him? What does this item represent? How does Saul respond when he hears David is in Keilah? Why would he be certain of his victory over David? What does David tell Abiathar to do when he receives word Saul is headed their way?
3. What does David ask God? What does God tell him? How many men are with David at this time? What do they do? How does Saul respond when he hears that David has left?
4. Where does Jonathan meet David? What does he tell David? What do they make before the LORD? Where does Jonathan go afterwards? What do the people of Ziph promise Saul? Why would they do this? What does Saul tell them to do?
5. Where do David and his men go? Where does Saul settle in Maon? Where does David settle? How did they miss each other? What interrupts Saul's pursuit of David? Why was this a more important matter to attend to?
6. Where is David when Saul is done dealing with the Philistines? How many men are with him? What does Saul do when he gets to the cave? Who else is in the cave?
7. How does David's men respond to this? Why is this an ample opportunity to attack Saul? Why would they think that God had ordained this moment? How does David respond? What does David do?
8. What happens when Saul leaves the cave? What does David do when he greets Saul? Why? What does David ask him? What does David show Saul to prove that he is not trying to kill him? What does David promise Saul?
9. How does Saul respond to David's words? What does he say about David? What does Saul ask David to promise him after he is king? Where does Saul go? Where does David go?
