Sermon Notes

Operation Christmas Child

We are 2 weeks away from National Collection Week! We have 362 shoeboxes packed thus far. Our biggest needs are stuffed animals, dolls, small musical instruments (such as a harmonica or woodwind recorder). You also have an opportunity to pack a shoebox online. Scan the QR code below and it will take you to the churches Build a Shoebox online page. We have a goal of packing 100 Gospel opportunities. When doing Build a Shoebox online you send the Gospel to some of the darkest places around the world where it is difficult to access the Gospel. Don't forget you can upload a picture and send a note with your shoebox you pack online too. Blessings for supporting Operation Christmas Child.

About Us

The WELL CHURCH INITIATIVE of Texas A&M AgriLife Extension's Family & Community Health provides health education, resources, and support for churches, and in their transformative role in serving the health and wellness of their communities. With the complexities and confusion of health information in today's world, we aim to be your trusted source, who value your religious beliefs and values.

Project Survey
Helping Your Church

We are so please your church has partnered with us! Next, we need to provide your church with an overview of the congregations's physical, mental, and spiritual wellness, so that your church can plan for its specific wellness needs. To do this we ask that you complete a short anonymous survey, through one of the following two options:

1. Use your phone camera to open the QR code.
2. Use the following link: wellchurch.tamu.edu/survey
