From the Youth Pastor

As Thanksgiving approaches, I want to take this time to thank the church for how they have invested in the lives of our teenagers. In the last 4 and a half years, I have had the pleasure of working with some incredible adults on Wednesday nights. The adults who volunteer their time on Wednesday nights to teach and listen to this young people have been such an incredible blessing to me. Week after week, our incredible volunteers come and give of their time and energy to making Jesus known to the teens in our community. The ministry that we have to the teenagers is not possible without adults who love these kids enough to spend time with them and point them to Jesus.

Not only do we have an amazing group of volunteers, but we also have an amazing group of teenagers to work with. Ranging from 6th grade to 12th grade, we have an incredible group of teenagers who love Jesus and want to make Him known. In my 4 and a half years here, I have seen them grow in their faith and be willing to stand up for what is right. Through camp and service projects, these young people give of themselves to make Jesus known. I have been so blessed to be their pastor and I know God will continue to use them as they continue through college and beyond.

Lastly, thank you church for praying for our volunteers and teenagers. I truly have the best group of people to work with and the best teenagers to teach. I ask for your continued prayers for our volunteers and teenagers. Please pray that God would be glorified in all that we do!

In Him, Dillon
