A GIFT FOR YOU!

Be sure to pick up your FREE CD as you leave today's service. (one per family please) We believe the most important instrument in our worship service is the voice of the congregation so we've created a CD to help you learn some of our newer songs. Seeing they are shared with you under our church's rehearsal license, we ask that you discard or delete these songs when the CD expires (Aug 2019) and encourage you to support the artist by buying their music.
