Our New Church Year Has Begun

I saw a cartoon recently with two young boys hiding around a corner from '2020's Ice cream Truck' moving through their neighborhood. On the side of the truck where one would normally expect the words 'Ice cream' were the words 'Liver and Onions'. Now, aside from all of you who like liver and onions, the rest of us would agree that so far the taste of 2020 has been less than enjoyable. The coronavirus pandemic has thrown us all 'for a loop'. But not God. He's right on schedule with His glorious purposes.

During this season, our church is attempting to operate on our annual schedule. This month marks the beginning of our new church year. The seven new deacons you elected in June begin their term of service now. Also, the church adopted our Nominating Committee and Committee on Committees reports last Wednesday night. This means our education team is in place and our committee members are set for the 2020-2021 church year. And though delayed and different, our VBS ministry is occurring this week virtually as parents lead and instruct their children in God's Word.

We thank God that we are in His good hands in this strange year. We want to remain faithful to Him and to our mission though the future is unclear.

Also, thanks are in order for all of you who have so graciously responded to God's call to serve in the various ministry opportunities here at the church.

The Nominating Committee works to match the called with their calling in the area of teaching. They have made roughly 140 matches. The Committee on Committees works to match the called with their calling in the area of committee service. There are 30 standing committees and the Committee on Committees has made approximately 210 matches.

The Nominating Committee and the Committee on Committees have worked faithfully in "Matching the Called with Their Calling" this year. Please say a special word of thanks to this past year's committees for their work.
