

May 2026

 Faithfulness

This month the children will learn about faithfulness as they hear the story of Horton in the book Horton Hatches an Egg by Dr. Seuss.

 Gifts from the Heart

Your generous financial gifts given through Gifts from the Heart, our annual school fundraiser, will be appreciated by those who benefit from your kindness. ***It's not too late to give!*** You may do so via the link on the preschool's website or the QR code next to the sign-in sheets in front of each classroom.

 Water Days

Warm temperatures, squishy sand, water tables, bubbles, 100% fruit juice popsicles, and squealing; Water Days at FNS are some of our favorites! Look for more details about Water Days in correspondence from your child's teacher in the next couple of weeks.

Warm Weather Clothes and Shoes

With the warmer weather here and the school year winding down, we have a couple of friendly reminders. Flip flops—even those with heel straps—aren't the best choice for school, so please be sure your child wears shoes they can put on independently and that are safe for active play. Also, it's a great time to check your child's cubby and swap out any winter clothing that may no longer fit for something more season-appropriate. Thanks for helping us keep everyone comfortable and safe!

Recurring Payments

If you make your child's tuition payments via auto pay or recurring payments, remember to stop the payments for the summer after your May tuition has been paid.

GRANDPARENTS DAY*

Grandparents' Day

On April 30th and May 1st FNS will host Grandparents' Day. A favorite of the kids, Grandparents' Day is designed for your child and their grandparents (or a "grandfriend" if grandparents are unavailable) to make memories together as they experience the activities of a typical preschool day. A shortened day of school, Grandparents' Day is from 9 a.m.-11 a.m. Classrooms A will hold their Grandparents' Day on Thursday, April 30th. Classrooms B, C and D will hold their Grandparents' Day on Friday, May 1st. To assist the teachers with planning please let them know how many of your child's grandparents will be visiting.

Family Picnic Days

Get ready to pack a delicious lunch, bring a cozy blanket, and join fellow FNS families in celebrating the end of the school year at our Family Picnic Day! Picnics will begin at 11:00 a.m. on Tuesday, May 19th for Classroom A, and on Wednesday, May 20th for Classrooms B, C, and D. At 11:00 a.m., you'll sign your child out from their classroom and head over to the grass area for a relaxed and joyful gathering, a wonderful way to wrap up the year together. Our teachers will stop by for a while to say hello and chat as you enjoy lunch and supervise your child on the playground. To help keep everyone safe and present during this special time, we kindly ask that you refrain from using your cell phone and take a moment to review and reinforce the playground rules posted on the shed. We can't wait to see you there!

Hello Little Lulu

Oliver Davis (MWF) is a big brother! Baby Louisa "Lulu" was born on Monday, April 6th weighing 8 lbs. and 1 oz. Congratulations, Davis family!

Take care!

For those of you leaving FNS, the teachers and I send our best wishes, guided by God's blessings. We deeply appreciate having been a part of your child's preschool journey and cherish the moments we've shared with you. You all will be fondly remembered and will be missed!
