PRAYER AND PRAISE WALL: How are you sensing God with you this Advent Season?

- He has filled in a painful empty spot this Christmas in surprising ways
- God dropped the perfect job in my lap
- The beautiful voices of children singing “Gloria” while caroling!
- Every little opportunity I get to share that Christ is the real meaning of Christmas to my 2 little grand boys I sense God smiling
- God’s presence and faithfulness in this time of transition
- God provided housing for family in need!
- God got me thru a real “dark” period

Lazy hands make a person poor, but diligent hands bring wealth. The one who gathers crops in summer is a wise child, but the one who sleep during harvest is a disgrace. Proverbs 10:4-5
