You should have the list of the Greeters and their phone numbers, and a copy of the directions for Greeters. If not, please contact the office. A few important reminders:

- 1. With warm weather approaching, on a nice day, one of the Greeters might stand outside the front door to welcome people, open the heavy glass door for them, and help anyone who might need assistance on the front steps or getting to the street.*
- 2. The two Greeters taking up the Collection should progress down the aisle at about the same speed, staying across the aisle from each other.*
- 3. If one line for Communion is longer than the other one, the Greeter who is doing traffic should direct some people from the longer line to the shorter one.*

Thank you for your admirable contribution to the spirit of warmth and community at St. Luke's!
