Trinity and North Union's Mission

Wow! Lots of exciting things have happened this year, and the best is yet to come! As I reflect and gave God all the praise and glory, I have seen –

At Trinity:

- 1. Our church is growing! Our average attendance is now up by 30 more people.*
- 2. Our Children's Ministry is growing! We have tripled in size in our children's attendance.*
- 3. Our parking lot is full! We have cars parking on the streets now, because there is no more room in our main parking lot. FYI – we do have an extra parking lot (on the corner of Crawford St. and Cherry St.) and handicap parking behind our church (on Crawford St.)*
- 4. Our joy and excitement of being part of God's mission is growing! Last Sunday, we had a Missions Sunday to hear the testimonies of people went on mission trips. Afterwards, I have heard many others who now want to participate in mission trips. I love seeing that, and I pray that this joy and excitement would keep growing!*

At North Union:

- 1. Our church is very steady and faithful! We are so steady and faithful in doing all of our ministries, missions, and outreach.*
- 2. There will be lots of opportunities in the upcoming weeks and months to participate in joint ministries, missions, and outreach – Apple Festival, Children's Christmas Program, and Community Outreach in the Spring of 2024.*

In the midst of all of our growth and changes, we need to stay grounded in Jesus and in our mission:

- 1. **Become** – All of us need to become a disciple of Jesus by being born again and keep growing as a disciple of Jesus.*
- 2. **Connect** – God has called all of His disciples to connect with one another to worship (Him), grow (in our faith), and serve (others with one another).*
- 3. **Make** – And as we worship, grow, and serve, our ultimate goal as a church is to make more new disciples of Jesus.*

So, Trinity and North Union exist (and continue to exist) in this community so that we and others can become disciples, connect with other disciples, and make more disciples. Last Sunday, we saw our mission in action as we listened to the wonderful stories. Wouldn't it be awesome at the end of time for all of us to gather together in heaven and each of us taking our turn to share with God and all the inhabitants of heaven many more wonderful stories of how we participated! Amen!

All Children in preschool-grade 5 are invited to participate in our annual Children's Christmas Program. This year's program will be **December 10th** at Trinity during the 9:15 service. This will be the only service that day for both churches.

Trinity & North Union Information, Reminders, & Upcoming Events

A Night with Vatroslav Zupanic on October 23, 2023

Trinity Global Methodist Church will host a night with Rev. Vatroslav Zupanic on October 23 at 7pm, and GMC churches in the Van Wert area are invited. The Allegheny West Conference has set our mission priority to be focused in Central/Western Europe to start GMC church plants and ministries. So, this gathering will be a great opportunity for all of us to get to know other GMC churches in our area and get a taste of our missions in Central/Western Europe.

Rev. Vatroslav Zupanic is a pastor and church planter in Croatia who has started a Global Methodist Church plant in his home city of Zagreb. On June 6th, 2022, the Transitional Leadership Council received him and his church as an official Global Methodist pastor and Church. Since the founding of his church, Rev. Zupanic and the leadership have seen progress in their ministry. Through God's miraculous help, they have outgrown the small building that they are renting and now have a new, much bigger building just down the street that they own through the help of another GMC Conference in Slovakia. Thus, they did not have to get a loan from the bank.

Now we pray for additional help. The building they have acquired needs much renovation. They need new plaster, replacement of windows, a new heating and ventilation system, a new room for children's ministry, the kitchen, and storage for technical and liturgical equipment for the worship place. Their church membership is doing all that they can for the project, but they need help. The anticipated expenses are around 17,000 Euros, which is around the same amount in US dollars. Our church might be interested in hearing more about this dynamic ministry and faith vision for his country. And you might be interested in supporting their church renovation project. Rev. Zupanic is a man of deep faith and encouragement. He loves the Lord, stands firm on God's Word, and has passion to evangelize all people through the Wesleyan holiness tradition. In a recent article he wrote about his commitment to living and teaching biblical truth. "The real unity of the Church can come only through the faithfulness to biblical truth once delivered to those who believe," he affirmed.

Please join us on October 23 at 7pm here at Trinity GMC to hear from Rev. Zupanic and learn more about what God is doing in Croatia.

For we are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Trinity's Food Pantry Focus

The Focus for October is Personal Hygiene Items

(shampoo/conditioner, bath soap, toothpaste/toothbrushes, deodorant, feminine products, disposable razors/shaving cream)

Thank you for your donations in August!

Of course, monetary donations, other items, and plastic bags are always appreciated, too!

Cooperative Ministries Pickle Sales October 20-21 at the Apple Festival

Two community outreaches that are managed by the Cooperative Ministries are the food pantry and the Bread and Bowl meals. Although various groups provide the food for the weekly meals, the Co-op furnishes the plates, bowls, cups, silverware, napkins, etc. Each year, the Co-op sells Sechler's pickles at the Apple Festival as a fundraiser. When you purchase some pickles, you're getting something you can enjoy, but you're also helping the Co-op to continue supporting these weekly meals for those in need.

We love sharing about our amazing ministry, and this is a great opportunity for you to see our center and get your questions answered about the PLC and all the progress being made on The Langdyn House Maternity Home!

Tim, Beth, and Matt Burden Father Son Gospel Mission

The vision of FSGM is to renew, encourage, and strengthen the Church, both in the USA and in other countries (primarily Cuba, Mexico, and Haiti) by mobilizing short-term mission teams from local churches to build relationships and make disciples that transform lives with the Gospel of Jesus Christ. We do this through adventures of faith, practical serving, preaching and teaching conferences, training events, and handling financial support for those missions with whom we are in relationship. We had a very busy summer, and we are now

looking forward to 5 Cuba mission trips during the remainder of 2023:

October 4-8 Pastor Tim and Beth – marriage conference

October 24-November 1 Pastor Tim – “seminario” teaching

November 1-7 Axis Church (Nashville, TN) team led by Daniel and Rachel (Burden) Foster

December 8-14 St. Paul Church (Findlay, OH) team led by Pastor Scott Fleming

December 27-January 5 Compass Church (Muncie, IN) team led by Pastor Jason and Vicki Rice

Please pray for God’s provision and protection in all these mission trips and teams.

Amy Bromberg Cru/Athletes in Action – Fairborn, OH

The fall semester of campus ministry has begun, and students are back on campus! I am excited to share with you that I have accepted an Associate Regional Role with Athletes in Action. What does this mean? I will continue leading the 937 Team (AIA staff who work with universities in the 937 area code) as a Local Team Leader with Jared Wellman (80% of my ministry time), and with our Regional Director Matt Hardy, I’m going to begin helping coach the Chicago, Northern Illinois University, and Michigan State AIA Staff Teams (20% of my ministry time). These teams have incredible people and some young staff to develop too. I can’t wait to visit their campuses and pour into their leaders! Each of our campuses has the vision of trusting God for a Christ-follower on every team so that everyone knows someone

who truly follows Jesus Christ. We get there by inviting athletes into discipleship and sharing their faith. I am very humbled and fortunate to get an inside scoop of what God’s doing in the Great Lakes Region!

Mission Committee Donation to YWCA “Scarf Bombing 2023”

On Friday, September 8, members of the Mission Committee dropped off 131 packets of winter wear (hats, gloves/mittens, & scarves) for the YWCA of Van Wert County Scarf Bombing 2023 event to be held in November (date TBA).

Many thanks to the those who donated items, prepped bags and crocheted scarves for the packets. Special thanks to Carol Hennis for all the crocheting that she did! Each packet included cards about our church and how many Jesus loves the recipient.

Brian, Beth, and Rebecca Schwartz Wycliffe Bible Translators – the Philippines

Scripture is crucially important in every culture. It is God's Word, and He reveals Himself to people through it. My (Beth's) stay in Obo Manobo land for two weeks with Ruth Ryser (a Swiss friend and supporter) and Rebecca was one of the most memorable moments in our OM ministry. We were able to see how God is building strong churches through evangelism, students engaging with the translated Scripture in the OM schools, and hearing story after story how they guard themselves against false teachings. God continues to display His love and faithfulness to them, even as they face poverty daily. Pastor Gabong, along with the 28 pastors, expressed their joy in sharing God's Word from the translated Scriptures using their audio Bibles and two-way hand-held radios. People are hearing it and turning to Christ, following Him with repentant hearts. Many said that hearing God's Word in their heart language is like hearing God Himself. Today, in that language area and beyond the mountains, over two thousand Obo Manobos are listening to God's transforming words.

Summer is always a busy time at Faith International Academy. However, this summer was exceptionally busy due to the COVID-19 pandemic. For the most part, life has returned to normal, but this was the first time since the summer of 2019 that routine maintenance could be done. Non-essential repairs had become critical repairs, and the need to successfully get as many of these repairs done as possible put an enormous amount of pressure on Brian. Unfortunately, only 100 of the 259 projects were able to be completed. Under normal circumstances, Brian would be happy for these accomplishments, but there are many more critical repairs that will need to be done on Saturdays and school breaks when students are not on campus.
