Hi Friend!

Are you still debating whether you will join us this Sunday, July 19th? It's important to us here at FBC that you make the best decision for yourself and for your family. So, if you are not sure yet and you feel you need more information, we have designed [this tool](#) with you in mind.

It is our hope that this tool will help you make an informed decision, as you prayerfully consider what returning to church will look like for you. If you have already made your decision, we still encourage you to explore this tool to learn more about your choice on July 19th.

God Bless,
The FBC Team
