If you answered yes to any of the above questions, you/family will not be allowed to enter the facility.

Questions 3-4: 14 days until return

Questions 1-2: 3-4 days until return

*Drs. Note may be required when you return.

POSITIVE COVID-19 TEST

The following measures will be taken in the event of a positive COVID-19 case:

1. Current CDC guidelines for cleaning and disinfecting when someone is sick will be applied.
2. ADH will be contacted with details about the level of exposure at the school site and a request for guidance will be made.
3. If ADH guidance allows, the CDC recommended wait period before cleaning will be waived. Cleaning and disinfection will begin immediately.
4. School closure will not be necessary for the purpose of allowing time for cleaning. The Arkansas Department of Health will determine if school closure is required for other purposes.

One thing we've learned throughout this COVID-19 pandemic is guidance is subject to change. We will continue to send you updates as more information becomes available.
