

JAMAICA

Praying Pelican Missions (PPM) exists to build up, encourage, and assist the local Church in serving and reaching their communities for Christ. With over 20 years of experience leading healthy, partner-based mission trips, we are ready to lead your team in serving local churches, growing meaningful relationships, and meeting immediate needs in the locations we serve.

ABOUT JAMAICA

Jamaica's culture is unique and inviting with the locals always ready to share in a fun and exciting conversation. As an English-speaking country, Jamaica is great for both first-time mission teams and mission trip veterans. Moving beyond the tourist appeal, you will find the local church working to meet the specific needs of their communities. Assist the local church in reaching their communities and sharing the Good News while encouraging our local pastors to continue being the hands and feet of Jesus.
