Sermon Reflection Notes

Trinity Lutheran Church, Brooks, AB

(Usable for All people, confirmation students are to hand in 2/month)

Welcome to worship! We are glad you are here this Sabbath day. Worship is often called the '*work of the people'*, yet it is in worship each week that God meets us with His assurance of forgiveness in Christ Jesus, His Word to strengthen and grow us in grace, His table where we are forgiven, fed and nourished to live as His people in the world. Our work in worship is to confess, receive, listen, learn, and respond to God's gifts with prayer, praise and thanksgiving. In short – worship involves active communal participation not passive presence at a performance. Listen for the back and forth between what God delivers to us in worship and how we respond. Let's take part …
