

Here are the words to the two pieces the little ones will be doing (preschool to Grade 1)

First Christmas

On the very first Christmas night
A wonderful star shone big and bright (hold up stars)
It marked that spot, where the baby lay (rock baby)
So shepherds, wisemen and kings could pray (fold hands)

Prayer

**Come baby Jesus, come, into our hearts on Christmas Day
Come Lord Jesus, come, into our lives to save and stay.**

Baby Jesus (Fingerplay)

This is Jesus ready for a nap (hold up index finger)
This is his Mother Mary's lap (cup left hand palm up)
Lay Jesus down and cover him up (place finger in palm and fold left hand over it)
Watch Mary rock Jesus up and down (rock hands as if rocking a baby)
Jesus bounces on Joseph's knee (right and left index fingers hooked and bouncing)
Jesus played with His father like you and me! (point to others and self)

Below is the song that will be sung by preschool – Grade 6

“Jesus, Jingle Bells” (all)

Jingle bells, jingle bells, Jingle all the way
Oh what fun it is to ride in a one horse open sleigh, hey
Jingle bells, jingle bells, Jingle all the way
Oh what fun it is to ride in a one horse open sleigh.

Vs. 1

Two thousand years ago, God sent His Son to earth
And out there in some barn, His mama she gave birth.
He did what no one can, was sinless as a man,
Christ paid the price for you and me
and Christmas time began! Hey . . .
