Operation Arctic

July 9-13, 2018 8:45 am - 12ish

June 24th at 9am we will be having an orientation and leadership training. *You need to attend this orientation prior to serving it is required for insurance purposes. A second date if needed will be July 8th at 11:30am. (If alternative time to these is absolutely required please contact the office in advance to see if this can be arranged)

July 8th we encourage you to come and join us for 10am worship for a blessing of our VBS staff. Please stay after to help decorate the sanctuary for the kids, lunch included.

The arrival time for the week of VBS is 8:45am and there will be a 10-15 minute wrap up meeting at the end of every morning.

Youth Lake day will be Wednesday July 11th @ 1-5pm (please see release form on back) The day may change due to weather.

Thursday night at 6:30pm will be family night and we encourage our youth leaders to attend-family night to support the kids.

If youth want to bring their phones we ask you to please leave them in the office where they will be safe and can be picked up each day after the wrap up meeting.

The Board of Education as well as coordinators and staff reserve the right to assess leadership readiness and may ask that a youth remain as a participant rather than become a leader especially for those finishing grade 6 or grade 7 (this would need to be discussed with parents of the youth).

Please be aware that youth will be assigned to age groups/ work areas and once assigned may not switch groups without permission.

We look forward to sharing this week with you and appreciate your time, energy and gifts that you are sharing with us.
