

February

Community United Methodist Church

As we make our way through February, we will enter the holy season of Lent -- the 40 days of preparation for Easter and Jesus' resurrection. This is traditionally a season of introspection and sacrifice during which we are invited to "give something up" to create space in our lives for self-reflection and to draw closer to God.

It can also be a season when we "take something up," adopting a new practice such as prayer, scripture reading, service, or meditation that helps us experience God.

We will start Lent on Ash Wednesday, Feb. 18, at 7 p.m. with a time of worship during which we will receive the mark of ashes as a reminder of our mortality and as a call to discipleship. This will be a time of prayer, reflection, and committing to a practice of giving up/taking up in this season.

In worship through the season of Lent, we will look at "Theories of Atonement" or how Jesus makes us at one with God. We will explore six different theories or ideas about how the atonement works and the strengths and weaknesses of each one. This is important because it helps us understand the richness and diversity of the Christian faith. It also guides us in the various ways that we can understand and interpret the meaning of Jesus' birth, life, death, and resurrection.

I hope you will join us on the six Sundays of Lent for At One: how Jesus Unites Us with God.

Gift of Love

February is here and that means Valentine's Day, Super Bowl and Pantry Packs. This year I'm planning on putting together 24 Pantry Packs. I will have an assembly line in my kitchen.

Putting together Pantry Packs is a gift of love from CUMC to our community. I feel a sense of gratitude that CUMC can help support the Ogden Food Bank and their mission through Pantry Packs and our loose change offering on Communion Sunday.

The Youth and Children's Sunday School will be assembling Pantry Packs on Sunday, February 8th. You can support this project by buying supplies (see the list below) or donating funds to purchase supplies. You can also put together your own Pantry Packs and have your own assembly line. Thank you for sharing the gift of love in our community!

Stewardship Committee

When we think of February, we often turn to love, and the FUEL(Faith, Unity, Education and Love) committee would like to offer everyone the opportunity to join together as a church family and experience the love we have for one another as well as sharing God's love with others.

Join us for "Cocoa, Coloring and Chocolate" on Saturday, February 7

from 10:45 - 11:45 am for children, youth and families and 1-2:15 pm for adults. During the time for children and youth, they will have the opportunity to color and decorate Valentine's Day cards for our homebound members. They will also have the chance to play a fun game with Valentine candy as well as create a special chocolate covered treat to share with others. While coloring cards, we hope to discuss examples of love, as well as how we can make a difference in lives as we share the love of Jesus. Everyone will have the chance to indulge in some hot cocoa and toppings. In addition to coloring and making a chocolate-covered goody to share. Adults will assist in making some sweet treats to pass out after worship the following day. Please sign up on the sheet in the narthex so we make sure we have plenty of supplies!

Adult Sunday School February 2026

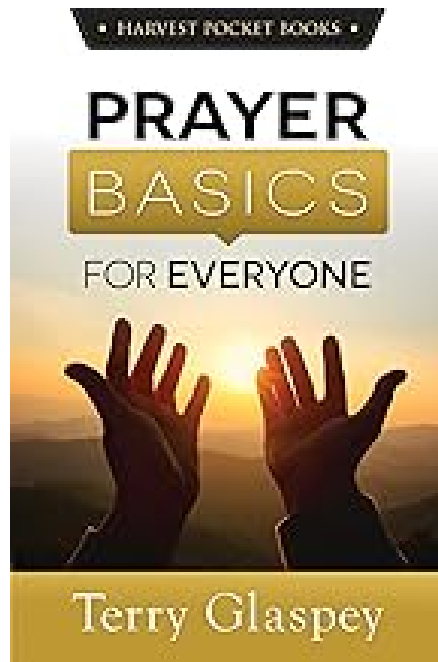

If you had the opportunity to develop conversational intimacy with the wisest, kindest, most generous, and understanding Person in the world, wouldn't you want to spend time with that person as opposed to struggling thru life on your own? Do you think that God wants to speak to YOU?

The adult SS class will continue to examine ways to grow closer to God and hear His voice as we watch brief videos, examine scripture and ponder reflective questions using John Eldridge's book Walking with God. The author emphasizes that creating a dialogue with God is the single most life-changing habit you can adopt because it brings you back to your source of life. We have 3 more weeks of this study before beginning the Lenten study, Adam Hamilton's "Why did Jesus have to Die?" on February 22.

Classes meet in the Upper room and begin promptly at 10:30 am.

If you have questions, contact Andrea Nelson at aen7@hotmail.com.

Prayer Basics for Everyone

If someone asked you about your prayer life, how would you respond? For many prayer is not always a simple practice. At times we wonder, am I doing it right? Will God answer my prayers?

If you have ever struggled with prayers, February's free resource, Prayer Basics for Everyone by Terry Glaspey, is for you.

In this small book, the author covers:

- making sense of prayer
- prayer and your relationship with God
- praying even when you don't feel anything
- exploring different methods of prayer
- how to deal with unanswered prayers

With teaching that is clear, empathetic, and biblical, this engaging introduction to prayer will energize your prayer life and enrich your spiritual walk with the Lord.

Then were there brought unto Him little children, that He should put His hands on them, and pray; and the disciples rebuked them. But Jesus said, "Suffer little children, and forbid them not to come unto me; for of such is the kingdom of heaven."
