Dear Friends at Mary Magdalene Apostle Catholic Community,

Thank you for your gift of \$500, received on 2/12/2021, to support Feeding San Diego and our critical mission of connecting every person facing hunger with nutritious meals by maximizing food rescue.

With more people experiencing hunger during the COVID-19 pandemic, our work has never been more urgent. Your gift makes an immediate and direct impact by sustaining drive-through and regional emergency food distributions, maintaining increased food at rural pantries, and providing meals for children, families, and seniors throughout our community.

"At the end of the month, we struggle to make ends meet. With this distribution, I haven't had to worry about where our next meal is coming from."

We know the road to a full recovery for our community will be long and challenging. Thanks to your generosity, Feeding San Diego can continue to meet the evolving needs of the hundreds of thousands of people facing hunger in our community during these uncertain times.

With gratitude,
