Mary Magdalene Apostle Catholic Community has had a Corporate Board in compliance with rules governing the establishment of a 501 (c) (3) non-profit since its founding in 2006. Since June 2007, the Community Council has been an elected advisory committee to the Board and Board member elections started in 2008. In 2020, after a year of discussions, the community agreed to merge the Board and Community Council into one leadership group called Community Leadership Council (CLC) with 7 total members consisting of 6 members elected by the community plus the pastor. The term for newly elected CLC members will be 2 years, with half the CLC being elected each year

In keeping with our by-laws, open CLC seats are filled by a vote by the membership of MMACC in the fall of each year. Only congregants of MMACC may be elected to serve as a Director. According to the bylaws, nothing prevents a Director from serving more than one term. The CLC will be meeting around once every month via Zoom. Additional meetings may be called for unfinished business or for special purposes.

The CLC needs to address ministry concerns formerly done by the CC as well as continue to address the legal, financial, and personnel issues of a Corporate Board.

A range of personal gifts and qualifications will be necessary to address this full range of community concerns. In addition to a strong commitment to MMACC's mission, vision, and sustainability as a community, **suggested capabilities should include some of the following:**

- Ability to regularly attend meetings (via ZOOM for the foreseeable future)
- Commitment to prepare for meetings by reviewing documents sent beforehand
- Timely follow-up on assigned tasks
- Inter-personal skills to work collaboratively
- Internet access for ZOOM meetings and to frequently check for Board related emails
- Ability to think big picture
- Willingness to make difficult decisions
- Familiarity with the range of MMACC ministries
- Previous experience with non-profit or corporate boards is an asset.
- Corporate or non-profit experience as a director or employee in a leadership position
- Ability to understand accounts and budgets.
