March 20, 2026

Dear Mary Magdalene Apostle Catholic Community,

Your contribution to the Women's Ordination Conference is a valued blessing.

We are deeply grateful for your sponsorship gift of \$1,000 on March 18, 2026 for our 50th Anniversary conference. Your contribution advances our prophetic vision of women's full participation in the church.

We expect a powerful convergence of leaders and organizations to join our landmark conference in Detroit, May 22-24, 2026. We anticipate hundreds of conference participants who share a deep commitment to justice and equality. We look forward joyfully to sharing your sponsorship with the conference participants, and with our entire community.

Your support at this significant moment helps us build and expand our work so that the Women's Ordination Conference is ready for the future. Sustaining our living legacy of persistence, creativity, and courage, your sponsorship allows us to quicken our work so that together, we can realize equality in our church.

Please extend our gratitude to your organizational leadership for their trust in WOC at this moment. Your solidarity means that WOC can continue to lead the way for generations to come. Thank you!

With gratitude,

*Kate McElwee*

*Thank you for  
your generosity! ♡*

Kate McElwee, Executive Director
