Opening Prayer:

We come together to pray the rosary. We focus on resisting the normalization of evil in our time by living out our faith to the fullest. Prayer can help us expose evil for what it really is. Our faith, love and courage in the Divine Center of the Universe grabs the attention of all who witness it. This is possible for all of us, right here and right now, one moment at a time. We pray together for these intentions.

First Intention (Mystery): *Prayer for our planet Earth.*

Breath of Life, we ask for the very survival of our planet earth. Our previous vision, set in prayer was: "as it was in the beginning, is now and forever will be". We have learned from science that there is no forever, creation is always in process, the Earth will not always exist. Had we acknowledged this sooner, perhaps our Earth would not be on the path to extinction.

Wrap us into your power of intention and action , that we may protect and heal our planet's precious life from the depths of the oceans to the heights of our skies. We pray...***Amen***

5 Hail Marys¹

Hail Mary, Grace Incarnate, maternal face of Holy Mystery, blessed are you among women and blessed is Jesus, the child of your womb...

Holy Mary, truly our sister, Mother of the Cosmos, protect our planet Earth from further human desecration, devastation and destruction. ***Amen.***

¹ Hail Mary (Basic Version): Hail Mary, Grace Incarnate, maternal face of Holy Mystery, blessed are you among women and blessed is Jesus, the child of your womb. Holy Mary, truly our sister, Mother of the Cosmos, (be with us now and at the hour of our death) (altered depending on the intention of the prayer).

Glory Be

Glory be to the Source of all that is, everlasting Wisdom, eternal Word and Sophia (Holy)² Spirit,

...as it was in the beginning, is now and will be...**Amen.**

Prayer of Jesus

Loving God, in Whom is heaven, may Your Name be honored everywhere. May your Kin-dom come, the desire of Your heart for the world be done, in us, by us and through us. Give us the bread we need for each day. Forgive us. Enable us to forgive others. Keep us from all anxiety and fear. For You reign in the power that comes from Love, which is Your glory, now and always...**Amen.**

Second Intention (Mystery): *Prayer for our Country and the Survival of Democracy.* (Taken loosely from JesuitResource.org.)

Holy Life, we ask for the wisdom to see the damage being done to our democracy by those who would mislead, deflect, disrupt, and deny the humanity of others.

We ask for the courage to learn, to witness, to speak up and to take daily actions as caring citizens, and to protect the right of all to vote and be heard.

Help us to connect to our fellow citizens and commit to their well-being.
Amen.

5 Hail Marys

Holy Mary, truly our sister, Mother of the Cosmos, protect our country as a democracy and democracy everywhere, now and always...**Amen.**

Glory be to the Source of all that is, everlasting Wisdom, eternal Word and Sophia (Holy) Spirit,

² Contemporizing ancient prayers requires attention to the prayer's rhythm or cadence. The more similar to the traditional prayer the rhythm, the more easily the praying person adjusts to the new words, especially if they have no knowledge of the New Cosmology/ contemporary Catholic theology. While a feminist approach favors the use of Sophia, some may find the rhythm, or cadence, favors the use of Holy since Sophia involves 3 syllables and Holy only 2 syllables.

...as it was in the beginning, is now, and will be...**Amen.**

Prayer of Jesus:

Loving God, in Whom is heaven, may Your Name be honored everywhere. May your Kin-dom come, the desire of Your heart for the world be done, in us, by us and through us. Give us the bread we need for each day. Forgive us. Enable us to forgive others. Keep us from all anxiety and fear. For You reign in the power that comes from Love, which is Your glory, now and always...**Amen.**

Third Intention: *Prayer for All Migrants, Refugees, Asylum Seekers, and Immigrants* everywhere and especially for those currently living in our country.³

Divine Love, we ask your blessing and entrust to you all those who have made the journey to another land, enduring fear, uncertainty and danger to reach a place of safety and hope.

We ask you to accompany them through the dangers that chase them from their home countries, the dangers they encounter on the journey, the dangers near the camps along the border and the dangers to those who are incarcerated and abused by our own government.

We ask your tenderness and protection for them and in caring for all immigrants, may we seek a world where none are forced to leave their home, where all can live in freedom, dignity and peace...**Amen.**

5 Hail Marys

Hail Mary, Grace Incarnate, maternal face of Holy Mystery, blessed are you among women and blessed is Jesus, the child of your womb.

Holy Mary, truly our sister, Mother of the Cosmos, be with all migrants, refugees, asylum seekers and immigrants. Love and protect them, defend and console them, now and always. **Amen.**

Fourth Intention (Mystery): *Prayer for LGBTQ+, women and oppressed people of all genders everywhere.* (Taken loosely from New Ways Ministry.)

Consoling Presence, we ask you for sanctuary for those in the LGBTQIA+ community and women who feel fear due to many national protections that have previously and recently been put in place and now have been withdrawn (as well as the threat of others to be retracted),

And for those who ever wondered if they were truly made in the image and likeness of God because of their sexual orientation or gender identity.

We ask this blessing of knowing that we all are fearfully and wonderfully made in God's image. **Amen.**

Concluding Blessing:

The World is now too dangerous

And too beautiful

For anything but Love.

Love is a blessing.

So may your eyes be so blessed that you see God in everyone;

Your lips – so you speak nothing but the truth;

Your ears – so that you hear the cry of the poor.

May your hands be so blessed

That everything you touch becomes a sacrament;

your feet – so that you run to those who need you.

And may your heart be so opened

So set on fire

That your love,

Your love,

Changes everything.

Amen.
