## Godly Relationships Finish

This last week we finished our series on Godly relationships. We talked about dating and looked through the Bible to help us see why it is so important to be free from sexual immorality. I will have a reference hand out for you soon to look back on. This week is the Egg hunt and next week there will be no IGNITE because of Easter.

## Dustin's Corner

I hope you are having a great week. What beautiful weather we have been having. I am leaving tomorrow to go visit my parents for a couple days and going out for the first day of fishing with my Dad on Saturday. So I spent the last couple days getting the car ready to go. We usually drive the SUV around now but I wanted to take the car to get better gas mileage. The thing is I knew the Malibu had a couple problems that needed fixed. First off the check engine light was on. I knew why. It was because the temperature gauge was not working. Which caused the fans to run the whole time and not allow the AC to work. The second was I needed to change the oil. Well I know how to change the oil so I figured I would leave that till last. So to conquer the other problem. After a little research I knew that the Malibu's have this problem a lot. And the easiest fix is to change the thermostat. I bought one for \$24 dollars and some more Antifreeze and called my Dad. (In case you didn't know my Dad is a very good mechanic.) I found out that this was going to be a messy and not so simple job. With a little help from my Dad and a gallon of antifreeze later I replaced the thermostat and saved myself over \$300. So why do I tell you this. I got to thinking about it. I don't claim to be a good mechanic but I can usually fix my own cars. But when I need help there is one person I know I can always rely on to help get me through it , my Dad. We can apply that to us as Christians. We claim to be Christians but sometimes we don't know how to do somethings. Sometimes we need a manual, (the Bible) sometimes we need a master mechanic. God is that for us. He is the one we can call on when we need help. He is the one we can call on to help direct us and fix things. So next time you need a tune up or you need some help. Call on God, He will help you.

*"If any of you lacks wisdom, he should ask God, who gives generously to all without finding fault, and it will be given to him"*

### Easter Egg hunt info

We will be stuffing Easter eggs on Wed. April 10th at 5:30pm. If you can come help stuff that would be great. We can use all the help we can get.

On Sunday, April 14th instead of regular IGNITE we will be hiding Easter eggs and helping with the Easter egg hunt. Please be here at 5:00pm to help hide the Easter eggs. We will need lots of help since we will have over 1650 eggs to hide. I hope you can come help with this event. Thank you.

### IGNITE Activities

I would like to do a few more activities before the summer hits and everyone gets busy. April is a busy month with Easter and other things going on. But I would like to squeeze some stuff in. Here are a couple ideas I have come up with.

Friday, April 26th Game Night At The Ginder's 6:00—10:00pm Meet at the Ginder house for food and games. Have your parents pick you up at 10pm at the Ginder house.

~~Sunday, April 28th 2pm Hiking (weather permitting)~~ **POSTPONED**

Sunday, May 5th 4pm "Cinco De Mayo" A Mexican food potluck. Bring your favorite Mexican dish to share. Just a fun time for us to eat and maybe play a few games. And then just stay for IGNITE.

We will talk more about the possibility of doing something over Memorial Day Weekend.

The logo for IGNITE features a stylized flame graphic in shades of orange and yellow, set against a dark, textured background. The word "IGNITE" is written in a bold, white, sans-serif font above the flame. Below the flame, the text "Sundays 6:30 - 8:00pm For All Youth" is written in a white, handwritten-style font.
