Graduation Weekend

This last weekend was graduation weekend. It was nice to celebrate graduation with you who graduated. I pray that this summer will be a refreshing time for everyone.

Dustin's Corner

This week has been a hard week for me and I know for a few other people. I am just going to ask that you pray. Pray for me. Pray for the church. I will be going on the mission trip this upcoming week and I would ask you to pray for that trip as well. When I think about the book that I want to study with you all this summer I realize how fitting it is. It is called "Refuel". And that is exactly what I need and maybe some of you. I will have the book in youth room this Sunday for you to take a copy with you and read chapter 1 for our first summer session of IGNITE (see next page for that info and changes to the schedule). I hope you all have a good next couple weeks and I will see you June 23rd. Thank you for your prayers.

"Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus."

**-1 Thessalonians
5:16-18**

Upcoming IGNITE Schedule

Due to the pending rain storm in the forecast we are going to postpone our first Summer Session IGNITE originally planned for this Thursday, June 13th.

Our make up one will be held Wednesday, June 26th at 6:00—7:30pm in our prayer garden at the church. Please let me know if you can make it.

Mission Trip 2020

Elizabeth Valdez would like to get a number on how many people would be going on the mission trip next summer. If you are interested in going and committed to doing that please let me know so I can get a final head count for Elizabeth and we can start our planning and fundraising. If you have any more questions please let me or Elizabeth know. Thank you.

The logo features the word "IGNITE" in a white, bold, sans-serif font, positioned above a stylized flame graphic. Below the flame, the text "Sundays 6:30 - 8:00pm For All Youth" is written in a white, handwritten-style font. The entire graphic is set against a dark, textured background that resembles a night sky or a dark surface with light reflecting off it.
