WORKING TOGETHER—WE ARE MAKING A DIFFERENCE FOR ETERNITY

WHAT GUESTS ARE SAYING:

"We love Bonita Park and the staff. Everyone was super helpful and super gracious as hosts of our group! We are very appreciative of everything you do to help us pour into our kids for the weekend. You make it possible for us to get our kids away from the city and challenge them to grow in their faith. THANK YOU!!!"

OPPORTUNITY FOR GIVING

Bonita Park is consistently and diligently giving attention to camper and staff safety as well as making improvements to help guests feel more secure while they are on the grounds. One of the ways that we can help do this is to add additional user friendly AED devices and standard First Aid supplies in a few more locations on campus. We currently have AEDs in Thornton Aquatic Center and the Events Center. As Automatic External Defibrillators are somewhat costly, we wanted to inform you of this opportunity to help Bonita Park improve safety at camp! Each AED device will cost approximately \$2,000.00.

To support this process financially, please scan the QR Code to the right, or mail funds directly to the address above. Donations may also be made on Bonita Park's website by following this link: bonitapark.com/get-involved/donate.

Thank you for all of the ways you love Bonita Park!! We love you!
