**WORKING TOGETHER—WE ARE MAKING A DIFFERENCE FOR ETERNITY**

## HAPPY NEW YEAR FROM BONITA PARK!!

We trust that God is ordaining your days just as He does the days at Bonita Park. We are so thankful to be under His constant care and protection. We know these grounds belong to God and we trust Him daily to meet the needs of the camp and carry on the ministry that He began so faithfully nearly 87 years ago. You are a blessing to us and we know that Bonita Park literally would not exist without your faithfulness and generosity through the years. May you be greatly blessed in 2026!!
