DONOR FUNDED PROJECT MINI SPLITS

It's a great day at Bonita Park!! We consider it an even better day when volunteers are on the grounds and projects are happening!

Even when it started raining...they kept on working! We are so thankful for this group of volunteers from different areas of the NM District Church of the Nazarene who are on grounds installing Mini Split units into Freeman Village! This project is 100% donor funded!! This is only phase one of this project. Phase two will be the electrical connection and finishing touches, which we are planning to be completed real soon. We are thankful and we think you will also be thankful next time you stay in this facility! Stay tuned for more coming soon! This project is still open for funding and we would love to expand it to the rest of our lodging and cabins. Please add 'Mini Splits' in the memo of your donation.
