UNBROKEN

My Dad was in a car accident on Old 83. He was T-boned as he was exiting the Dollar store parking lot.

When we saw him at the hospital, Dad told us that a white man kept him calm through it all. That the man was in the car with him, and he kept telling him that he was going to be ok and was rubbing his head. Dad said that he even handed him his phone so he could call his family. My Dad did call

my mom and told her that he had just been in an accident. She called me immediately after.

As GOD would have it, I just happened to be driving down old 83 at the exact time that the accident took place, and arrived on the scene immediately after it happened. So, when my mother called me, I was already at the scene and no one was near my dad's car. EMS and the fire department had just arrived but had not yet gotten off their vehicles. The police man that was directing traffic allowed me to pull in. NO one approached the car when my dad called my mom.

I took pictures when I first arrived, but there was not a white man in them. No one else saw the man, except my dad. We believe it was the angel of the LORD, that was there with him, helping him to remain calm.

When my dad was taken out of the car he had blood all over his shirt and arm, but he had no visible cuts or scrapes on him. No one was ever able to figure out where the blood came from. We Believe that God healed him. Everyone who had tended him was surprised that he lived through it with UNBROKEN bones or lacerations. Praise GOD! Miracles still happen.

VICTORY!

Often, you can find yourself dealing with an impressive batch of challenges well arranged by the enemy. You may feel that the struggle might just pass you by or sort itself out. Deuteronomy 31:6 encourages you to be strong and courageous and trust God whom never fails you. Face your challenges and deal with them with peace in knowing that the Creator of all things has you in his hands. In 1 Samuel 17, we find David facing Goliath. Goliath knew that David was God's representative and taunted him anyway. Goliath defied the armies of God for forty days: The devil does not rest. He wants you to give up and he is determined to go the distance. But in God's name, face him and let him know that he has no place in your mind, in your family, in your relationships, in your work, in your ministry, or in your heart. You are a son of the Almighty Adonai! Take up your Sword and fight!

A MESSAGE FROM THE PASTOR

This is a great day to be a man from God, because that is the way God created us. In His image, man was created. From creation, God wanted man to love their wives as Christ loves the church, and I am convinced you cannot do that and not serve Jesus.

This will be a great time of fellowship and learning for the men of CFC. I look forward to seeing you.
