Things to know…

Meat Canning:

This year's Canning dates will be December 10, 11, 12, 14 and 15.
If you would like to donate to this project you can do so at any time. Donations can be placed in the offering box clearly designated for the "Canning Project" or can be given directly to Dean. The current balance in the Canning fund is trending behind last year's giving with the possibility of needing a higher level of funding this year due to the project being a five-day project. Please prayerfully consider how you can support this very important project. For planning purposes, it is helpful to receive donations or pledges by mid- November. If pledging for a later donation, please communicate your pledge to Dean.
