

# HOW TO FIGURE OUT YOUR TITHE

*This page is an example.*

*The worksheet for your tithe can be found on the back.*

## EXAMPLE: Weekly Pay

Income is \$25,557 annually (every year)

**FORMULA: Annual Pay  $\div$  52 Weeks**

ANSWER:  $25,557 \div 52 = \$491$  a week is your pay

**FORMULA: Weekly pay  $\times$  .10**

ANSWER:  $\$491 \times .10 = \underline{\$49.10}$  is your weekly tithe

## EXAMPLE: Monthly Pay

Income is \$25,557 annually (every year)

**FORMULA: Annual Pay  $\div$  12 months**

ANSWER:  $25,557 \div 12 = \$2129.75$  a month is your pay

**FORMULA: Monthly pay  $\times$  .10**

ANSWER:  $\$2129 \times .10 = \underline{\$212.90}$  is your monthly tithe
