Many students in our school go home each Friday to little or no food in their homes. The RMS Weekend Warrior Food Pantry is a service that provides these students with meals and snacks for the weekend. Students are referred by the faculty and staff of RMS. Each Friday students receive a bag with two breakfasts, two lunches, two dinners, and two drinks. While this may seem small to most, it can be the difference in a student having any meals over the two day weekend at all. We are a donation driven program totally reliant on the generosity of people and organizations like you to help us help these children.

Thank you for your time, consideration, and support of the RMS Weekend Warrior Food Pantry!
