LIVING IN HIS MERCY

God wants us to know that we belong in his family! He gave each of us immeasurable mercy to show us that. As part of God's family we have joy in being different from who we were before Jesus, sacrificing the things we want for the desires of God in obedience. Setting ourselves apart and acting on his will in our personal lives is true and proper worship of God. Let's challenge each other to be about God's glory!

ALL TOGETHER NOW

As of August 5th will all be meeting all together again!

In light of this we will be meeting outside unless it rains, in which case we will move to the Gym with social distancing and a mask provided for each student. A mask will also be provided to any student at any time if you request one.

Out of love for others, we ask that if you are not feeling well you not attend on Wednesday.
