

*simple steps  
to share your faith*

Sharing your faith can be intimidating. But as believers we are all called to spread the love of Jesus at every opportunity. Here are a few simple steps to remove the fear and infuse courage for everyday evangelists like you and me.

### **1. LIVE A QUESTIONABLE LIFE**

Live the kind of authentic, Jesus-shaped, Spirit-led life that sparks questions. When your life is surrendered to and centered on Jesus, people will pick up on that. Soon enough they will become curious about the source of your peace, strength, and radical love. And they will ask you.

### **2. DONT BE AFRAID TO ANSWER**

Once your life has sparked the questions, have the boldness to give an answer. If you don't point to Jesus, they will assume your compelling, intriguing life has something to do with your own talent or winsome personality. Point them to Jesus, the reason for your hope.

### **3. SHARE YOUR JESUS STORY**

When you give an answer, you don't have to know *all of the answers*. You don't need a theology degree or apologetics expertise to share your faith. Simply tell them what Jesus has done for you. The most compelling evidence is a transformed life. What is your Jesus story? How has He changed your life? Simply share that.
