## what is sunday school?

NEW QUARTER BEGINS MARCH 1ST — JOIN ANYTIME

We call it Sunday School, others call it Small Group, or Fellowship Group, or Care Group or any number of “trendy” names which communicate at least one aspect of what happens every Sunday morning at 9:45 here at FBC Fisherville. Sunday School is a place where children and adults can experience direct discipleship through Bible Study, connect in Christian community and enter into missions and ministry to others.

It is “School” therefore the majority of time together during Sunday School is devoted to **studying the Bible**, which is the primary textbook. Sunday School classes are “open” groups that encourage a culture of hospitality and invitation **expecting new people** every time the group meets.

Sunday School is an **ongoing program**, meeting at a regularly scheduled time and place throughout the year. Sunday School classes are provided for all stages of life simultaneously, providing the environment for **intergenerational dialogue and ministry**.

*Him (Jesus) we proclaim, warning everyone and teaching everyone with all wisdom, that we may present everyone mature in Christ. (Colossians 1:28)*

**MICHAEL JONES** serves faithfully on our worship team as one of our acoustic guitarists. He has been such an addition to our music program. Over the past year, he has brought consistency, musical strength, and a clear desire to honor the Lord through his playing.

Michael's musical journey began early — very early. He was given his first guitar at just three years old by his Uncle Ron, and his dad became his first guitar teacher. That foundation shaped not only his skill, but his lifelong love for music. God has since allowed him to spend his life playing, and today he sees every opportunity to serve as a gift from God.

Michael has been playing at FBC Fisherville for a little over a year and singing in the choir for nearly two. In that time, he has become a faithful and encouraging presence in our worship ministry.

When asked about a life verse, Michael pointed to **Revelation 5:5–6**, a powerful picture of Christ as both the conquering Lion and the Lamb that was slain. For a similar reason, “*The Solid Rock*” is his favorite hymn. He is quick to tell you about the Lord rescuing him “from the sinking sand” when he was lost in sin.

Spiritually, serving on the worship team is about stewardship. “God has blessed me to be able to spend my life playing music,” he says. “My aim when playing is to offer God the best of what He has blessed me with.” That desire shows not only in how he plays, but in how he thinks. As a composer, Michael spends time reflecting on the theology of music itself — considering how even harmony and melody can glorify God.

We are grateful for Michael's heart, his humility, and his commitment to offering his gifts back to the Lord. Be sure to thank him for serving so faithfully — and watch for him this Sunday.

In Christ,

*Bro. Kelvin*
