This month, we are excited to highlight Penny Ray, our violinist here at FBC Fisherville. Penny first began playing the violin in sixth grade when she joined her school's beginner orchestra. What started as a new opportunity quickly became a lasting part of her life, as she continued playing throughout both high school and college. Over the years, her musical journey has included seasons of involvement at FBC, and for the past two years she has been back serving more regularly with our worship ministry.

When asked about a favorite Scripture, Penny shared a passage that has been meaningful to her for many years. Psalm 139:13-14 says, *"For you formed my inward parts; you knitted me together in my mother's womb. I will praise You, for I am fearfully and wonderfully made. Wonderful are Your works; my soul knows it very well."* She goes on to say that she loves the entire chapter, which her mother helped her memorize when she was in junior high — a foundation that has stayed with her ever since.

Music & worship ministry

Hello 55+ family,

I trust that you will prayerfully consider being a part of VBS. VBS is a great opportunity to make kingdom investments in our children.

Our next event will be **TN SAFARI DAY** on May 7TH. We will leave the church at 9:00 AM and travel by bus. Please bring a sack lunch as we will be having a picnic on the grounds. Please sign up in the foyer. Total cost is \$24.

I want to make a ministry opportunity known for you to prayerfully consider being a part of. We support **APPLINGWOOD RETIREMENT HOME** each Sunday by leading them in worship. We leave church at 9:30 and the services normally last approximately 45 minutes. There are different teams to serve on once a month, such as the devotion, music, and serve team. Please see Mike Butler for additional information.

We will be going to **THE GREAT PASSION PLAY** in Eureka Springs, Arkansas September 14TH-16TH. The cost is \$450 per person. Please mark this on your calendar.

Nadia and I love each of you very much!

Bro. Sam

For Penny, serving on the worship team is both a joy and a calling. She describes it as a privilege to use the gifts God has given her, pointing to 1 Peter 4:10 as a guiding truth: *"Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms."* She believes that as she continues to serve through music, she is also growing in her spiritual walk through obedience.

One song that has been especially meaningful to her right now is **What an Awesome God** by Phil Wickham. Penny is currently teaching this song to her students at school for an upcoming program, and she has enjoyed the meaningful conversations that have come from discussing its message together.

At a personal level, playing the violin is more than just music — it is an act of worship. Penny shares that it allows her to express her heart to God in a unique and meaningful way, using her instrument as a voice of praise.

We are thankful for Penny and the way she faithfully uses her gifts to serve the Lord and bless our church family.

Bro. Kelvin
