Student Ministry

students

Believe it or not, summer has already come and gone! We had a great summer with our youth, we went to summer camp back in June, where our students were reminded that the Lord is the Good Shepherd and that He desires to know each one of us personally. We also began a five-week series on Wednesday nights titled "Follow", where we talked about what it looks like to faithfully follow Jesus in our everyday lives. Our hope is that our students will continue to grow in their relationship with Christ and learn what it means to follow Him wherever they go. We finished out our summer with "Hot Summer Nights", where we had a great time of fun and fellowship during the last week of July. It was a great way to wrap up the summer together!

As our students begin a new school year, I want to encourage you to pray for them. Pray that they would have the courage and boldness to show and share Jesus at school, on their teams, in their clubs, and in their everyday lives. Pray that they would be a light for Christ and that God would use them to make an impact on those around them.

Thank you, church family, for faithfully praying for and investing in the next generation!

Our Adult Choir has resumed after our summer break, and we have already begun working on our Christmas music! If you have ever felt led to be a worship leader, this is a great time to get involved. Getting in on the music early will make it much easier to learn the Christmas repertoire and be a part of all that we have planned for the coming months.

In addition to our regular Wednesday evening rehearsals, we will also have Christmas music rehearsals every other Sunday afternoon. There is still plenty of time to join us, so do not wait until the Christmas season is upon us. We would love to have you!

Our Children's and Preschool Choirs are also fully underway and meet each Sunday night at 6:00. If you have children or grandchildren, please encourage them to be involved. Music is such an important part of helping children learn Scripture, develop their gifts, and understand what it means to worship God.

Church family, I want to encourage you to continue praying for the people of Davis City, Iowa, and for the work God is continuing to do there. Our team returned home and shared an encouraging report with us on Sunday night, August 2ND. It was exciting to hear how God used our team during their time in Davis City, as well as to learn more about the needs and opportunities that remain. Please continue to pray for the people of Davis City and for the churches in the surrounding areas as they faithfully minister to and serve their communities.

I also want to encourage you to continue praying for our Missions Committee as we meet together, pray together, and consider other mission opportunities and partnerships that we as a church could be a part.

Thank you for praying for our missionaries, our missions partners, and the communities we have the opportunity to serve.

Hello 55+ family,

I am excited about our retreat **October 7TH-8TH**. This year's theme is "**A HOUSE OF PRAYER**". Jerry and Susan Cherry will be with us and you will be greatly blessed. Jerry has spoken at numerous churches about prayer, and Susan is an accomplished vocalist who will lead us in worship. You can pick up additional information and sign up in the front foyer and at the 55+ Resource Desk located across from the church office.

Please **REMEMBER OUR SHUT-INS**. You can find their information on the back side of our weekly prayer sheet. Take a moment and call them or send a card to encourage them. They will greatly appreciate hearing from you.

We will be **CAROLING IN DECEMBER** at the Applingwood Nursing Home. I am in need of some homemade Christmas stockings. Please see me if you are able to share your talent.

Nadia and I love each of you very much!

Please **LOOK AT THE RESOURCE CENTER** in the Main Lobby. You will find resources that speak to a variety of life issues. Feel free to take a book and give it to someone you know would benefit from it. They are free of charge.

Bro. Sam
