EVERYONE WELCOME!

School Closures & Snow Procedure

Occasionally, severe weather and extremely dangerous road conditions cause changes in our ability to open or the need to close our facility early. These changes will be reported to KXLY News (visible on KXLY TV and KXLY.com) and a text will be sent to parent/guardians who have opted to receive such notifications. We will close only if weather and road conditions pose a threat to the safety of our school families and employees.

If inclement weather requires us to close our facility early and a parent cannot be reached, an emergency contact person listed on Gradelink will be called.

The school staff will care for the child until the parent/guardian or emergency contact can safely claim the child. If a parent or emergency contact person is unable to be reached or unable to claim a child, the administrator will be notified and a decision made at that time who will stay at the facility until the child is claimed.
