GROWTH TESTING

Encourage your student to eat healthy and get extra rest during testing.

May 12-14: 6th-11th

Lots of help needed!

We will be working on Auction prep next week on Thursday and Friday. We can use all the help we can get, especially after early dismissal on Friday. Come for all or part of the day and we will put you to work. Let us know that you are coming or just show up to work.

There are still opportunities to help on Auction day: before, during, and after the event. Contact Miss Mel if you would like to get plugged into a job!

Auction
 CHECKLIST

There are many ways that you can help make our Auction a success:

- FILL A TABLE** with family and friends; help out the office by ordering your tickets early.
- Find **AUCTION SPONSORS**. Businesses that do not have a sellable product can contribute cash to offset the cost of the Auction.
- PROCURE DONATIONS** worth at least \$200 per student. This does NOT mean you have to purchase those items – it simply means you ask businesses, etc. to donate items that we can put in our silent & live auction.
- Come to our **AUCTION MEETING:**
May 7 @ 5:30pm

Donations may be brought it any time. Please contact the office before bringing in LARGE items. Thank you!
