CHRISTIAN SCHOOLS

To Whom It May Concern:

I am writing on behalf of Spokane Christian Schools (SCS). At SCS, our mission is to assist parents in training up godly young men and women to impact the world for Jesus Christ. Founded in 1981, SCS has spent decades weaving together a high quality education with character building training that inspires our students to think of others before themselves. Our schools provide excellence in spiritual training, academics, and physical education while teaching our students to be of service to their community. In the last few years, our students have hosted a breakfast for local police officers, developed an annual Veterans Celebration recognizing those that have served our nation through military service, and sponsored two underprivileged students in Thailand.

While our tuitions supply a portion of the revenues needed for us to educate these young citizens, many of our students are in need for financial assistance to be able to attend. A number of our students are being raised by their grandparents due to extenuating family circumstances. Others are from single parent households. In order to continue to provide the means to enroll as many students that desire to attend, our school families dedicate themselves to raise funds each year.

Our largest fund-raiser is our annual auction that will be held **May 18, 2024**. We are hopeful your organization will consider sponsoring the Auction with a monetary donation to divert the funds raised at the Auction back towards our students. Your company's participation will help SCS raise money for educating young people all over the city of Spokane and surrounding areas.

We thank you in advance for the charitable leadership your organization provides and look forward to acknowledging your contribution during the auction and in the school newsletter. On behalf of Spokane Christian Schools, we appreciate your consideration.

If you have any questions, please feel free to reach me by phone or e-mail. Please see the attached donation form for more information.

Sincerely,

Mel Gade
