To Whom It May Concern:

I am writing on behalf of Spokane Christian Schools (SCS). At SCS, our mission is to assist parents in training up godly young men and women to impact the world for Jesus Christ. Founded in 1981, SCS has spent decades weaving together a high-quality education with character building training that inspires our students to think of others before themselves. Our schools provide excellence in spiritual training, and academics, while teaching our students to be of service to their community. Each year students prepare and present a Veterans Celebration recognizing those that have served our nation through military service, sponsor two underprivileged students in Thailand, support local families whose children are battling cancer, and serve at local food banks.

While our tuitions supply a portion of the revenues needed for us to educate these young citizens, many of our students need financial assistance to be able to attend. A number of our students are being raised by their grandparents due to extenuating family circumstances, while others are from single parent households. To continue to provide the means to enroll as many students as possible that desire to attend, our school families dedicate themselves to raise funds each year.

Our largest fund-raiser is our annual auction that will be held **May 21, 2027**. We sincerely hope that your organization will think about sponsoring the auction with a financial contribution so that the proceeds can be used to support our students. By participating, your business will assist SCS in raising funds for education throughout Spokane and its surrounding region.

We look forward to acknowledging your contribution at the auction and through our social media, and we thank you in advance for the charitable leadership your organization provides. Thank you for your consideration on behalf of Spokane Christian Schools.

If you have any questions, please feel free to reach me by phone or e-mail. Please see the attached donation form for more information.

Sincerely,
