Please plan accordingly and if you have any scheduling conflicts please list them below:

8. VBS Crew Leadership can be a lot of fun, but the main goal needs to be ministry to the children in the camp. It will be a rewarding experience, if approached with patience, commitment, and responsibility. Crew leaders are teachers, guides, and friends. They will be responsible for 10-15 children, to ensure they have a safe and fun experience. This requires a genuine and thoughtful commitment on the part of the crew leaders. Are you able and willing to make this commitment?

Parent Section:

I understand that my son/daughter is making a commitment of time, energy, and caring to the children of Arcadia Community's summer VBS. I understand this commitment involves attending the training session and a commitment to the program itself. I have cleared our family calendar of all conflicts (except as notes above) and will support my son/daughter in making this commitment a priority.
