Poetry Tea Time

Tea time offers a break from the fast-paced demands of life.

Everyone sighs a collective “ahhh” as they settle into their chairs, tea cups in hand, and poetry books being flipped through on the table. Stopping the rush for a restorative beverage creates the perfect space to contemplate rhymes, riddles, limericks, and sonnets. When you pair poetry with tea, you create a connection between contemplation and rest while also creating memories of serenity and joy.
