

Family Packs For Monkey River NEEDED!

The Belize Mission Team is making plans to return to Monkey River Town. Please pray that God will open hearts to follow Jesus.

The team will be working in Monkey River Town to complete the repairs to the church building, hold VBS activities with the children during the mornings, holding Bible studies with the ladies and youth throughout the day. A Bible study will be held in the church building each evening and a worship service is planned for Sunday morning. In order to promote these activities, our team will be distributing family packs and flyers.

Here's how the First Calvary family can help! Please consider donating items for the family packs. You are invited to create a total pack of items using the list below or purchase the items listed below and we will create the packs. The items for the family packs have been revised this year to include ones that are easily found at Walmart or Dollar General and are more cost effective. The goal is to take 75 family packs to distribute.
