

Transforming South Rocky Mount through the Gospel of Jesus Christ

Update for March 23, 2020

Friends of Peacemakers,

As you know, things are changing hourly in this crazy environment. Peacemakers is attempting to respond in ways that will make a tangible difference for our neighbors. *Here are the highlights:*

- The local school districts are now delivering lunches (praise God!) to students, so Peacemakers will discontinue its daily lunch service.
- We are continuing to prepare weekly food boxes for 60-70 Williford Elementary families most in need. Currently, our biggest food needs are:
 - Lunch meat
 - Cheese
 - Cereal
 - Microwaveables
 - Fruit cups
 - Please bring all donations to 2221 W. Raleigh Blvd., Rocky Mount, NC.

- Today, we are beginning afternoon one-on-one tutoring for some of our After School Program students.
- ***TOMORROW (3/24)***, we are beginning one-on-one tutoring for elementary school students who need extra support. This will be offered for up to 5 students per hour between the hours of 9:00am - 12:00pm Mondays - Fridays. We are taking as many precautions as possible in providing this service, including:
 - Screening temperatures when entering the building.
 - Requiring hand washing.
 - Placing each child in a separate classroom space in order to limit contact.
 - Practicing social distancing to the extent possible.
 - If you are completely healthy and able to volunteer to assist with tutoring, please contact Michelle McNeil at 252.212.5044 or michelle@rockymountpeacemakers.org.
