Thanks to this progress, in late June we prepaid \$100,000! If you haven't pledged please prayerfully consider doing so, if you can. We'd like to get to \$1,000,000+, if possible, so we can continue to prepay the loan. Thank you.

The Soft Landing Descent continues....

Regarding Our Loan: Our loan rate is fixed at 3.125% until December of 2027. So anything we can do to reduce the balance before we face the music of higher rates (in December 2027) will be great.

Regarding Our Land: In March, we closed on the sale of Outlot A to Western Home Communities! Purchase price was \$825,000 with the net sales proceeds of \$781,871 (after deducting for commission and standard closing expenses) fully applied to our loan. As a result of that and several years of loan payments, our loan balance has reduced to *less than half what it was less roughly 5 years ago*. Our one remaining land parcel - the "South Triangle" (you drive by it if you turn north from Melrose onto Camp Cardinal) remains listed for sale with Lepic-Kroeger.

Regarding Per Capita... per capita is \$40.70 for 2023. Please pay if and when you are able. St. Andrew is assessed this amount per St. Andrew member by our Presbytery and your paying your per capita restores those funds to us.

And Finally *Please consider the church in your estate planning. Thanks!*
