

With Our Eyes on Christ

*Gathering,
Growing...
Serving Together*

April 3, 2017

Dear Church Family,

In the season of Lent, we find ourselves again at the foot of the cross, amazed by the sacrifice of God on our behalf. We lay our joys and concerns at the feet of Jesus. He gathers us as a mother hen gathers her chicks.

At the Camp Cardinal site, we see steady growth in the new church building. Work continues on steel framing, roofing, walls, plumbing, and masonry work. We give thanks for the workers at our site and for the mild weather this winter. We continue to pray for courage and discernment amongst the members of session, the building team, and the finance team.

Serving together, we have 148 pledges to the capital campaign totaling \$1,389,708. We have received \$627,152 toward those pledges, or 45% of the total. We are 25% of our way through the three year campaign. There are opportunities to give on the church website, with the envelopes in the pew baskets, or by calling the church office. Thank you for your faithful, enthusiastic gifts. We could not do this without your support.

If you have questions, call or write to us any time. You can reach us by phone through the church office at [319-338-7523](tel:319-338-7523). Or email us at withoureyesonchrist@saintandrew-ic.org.

With Our Eyes on the Cross,

Christina Donelson and Marylu Watkins
