To be the body of Christ, living in Christ's love and serving as Christ served.

And I heard a loud voice from the throne saying, "Behold, the dwelling place of God is with man. He will dwell with them, and they will be his people, and God himself will be with them as their God."

Revelation 21:3

Dear Friends:

In the midst of transition and uncertainty, God transforms us, as the body of Christ at St. Andrew, preparing us for new and growing ministries in the coming years. We know that the people entering our new building far outshine the structure itself. Most importantly, God dwells with us wherever we go.

Gathering together, the St. Andrew meet-ups offer unique ways to get to know each other. For example, we had 30+ adults join the 30+ youth and leaders at the ETC red wagon grand prix in downtown Iowa City; and we attracted the attention of bystanders who wanted to know more about us.

Growing in faith, fall can be a time of renewed giving and additional blessings. So far we have \$1.39 million pledged to the Eyes on Christ capital campaign, and we have received \$790,000. The campaign started June 2016 and ends May 2019. If you have questions about contributing to the capital campaign fund or any of the ministries of the church, please contact us by email or through the church office.

Serving together, we wait impatiently for the move into our new building. We are proud of our volunteers and staff who continue to provide quality programming during our transition. As usual, God gives just what we need when we need it. We celebrate all of you and God's presence at St. Andrew.

Yours,

Christina Donelson and Marylu Watkins
