# ETC and City Service Mission

**This is the first year that ETC has attended CSM in Kansas City, MO!!**

At CSM KC your group will serve with local organizations in Missouri and Kansas. From tutoring, assisting with reading programs, to assisting at local food banks and shelters; you will serve with organizations that are meeting the needs of the community.

As we seek to serve our city best, we have found that we need to seek to understand both the beautiful and painful parts of Kansas City's history and current events. We love the beautiful, fun, unique, and diverse parts of the city, but we also love understanding our neighbors as we learn more about the things they are currently experiencing and how the city's history has brought them to this place. We would like to invite you to come and prayerfully learn alongside of us as we seek to serve our neighbors and further the work that God is already doing in the city through our numerous ministry partners as well as many others who are doing great work in Kansas City.

## What is CSM?

Founded in 1988 as "Center for Student Missions," CSM sought to bridge the gap between the suburbs and the urban centers in the United States with a mission to provide effective short-term Christian mission experiences for youth and adults in urban settings.

We offer serving opportunities in 4 cities from the east coast to the west coast of the United States. In each city, we partner with dozens of faith-based and nonfaith-based organizations that are already seeking to meet a specific need in their community.
