

As you prepare to join St. Andrew for in-person worship, please keep these precautions in mind as we all work together to reduce the spread of COVID:

St. Andrew's Session is asking everyone over the age of 2 to wear a face covering when attending worship. Masks/shields will be provided to those who arrive without one.

Please feel free to welcome and greet one another, but from a distance of at least six feet. Seating has been spaced out accordingly in the Sanctuary and Atrium.

The church's cleaning crew will be sanitizing the Sanctuary, Atrium, and restrooms on Saturdays. Hand sanitizer stations will be located throughout the building. Feel free to make frequent use of them.

Our worship services will continue to feature special music from the chancel and organ loft, but we are asking others attending in-person to sing only with their hearts, not with their voices.

If you are feeling ill, or cannot follow any of these precautions, please continue joining the livestream on our YouTube channel: bit.ly/SAPCYouTube.

Connecting Hearts, Renewing Lives
