St Andrew and The Pittsburgh Project

Beginning in 1986, St. Andrew's high school group, E.T.C., was looking for an exciting summer work camp to participate in that summer. At the same time a former St Andrew member, Saleem Ghubril, working in Pittsburgh as a Youth Director was setting up a inner city work camp in his city. He was contacted and E.T.C. was invited to participate in that summers' program. What began that summer was the beginning of a tradition for high school students in Iowa City. Last year 30+ high school students joined up with over 150 students from around the United States and spent a week doing minor home repair in the inner city of Pittsburgh.

Each evening the entire work camp participates in some special activity and then has a special "Club" time together with lots of singing, skits, and talks by Pittsburgh Project Executive Director; Wayne Younger. YOUR LIFE WILL FOREVER BE CHANGED!!!

What Do I Need To Do?

Sign-Up NOW! This summer has the potential to be the the largest group that E.T.C. has ever taken to Pittsburgh. In order to get everything ready and a budget set we need to know who and how many are going to participate.

Start by filling out this form and mailing/turning it in to secure your place on the trip! We have reserved spots for 24 students! But there is potential for more if needed!

E.T.C. will leave St Andrew's parking lot on Saturday July 20 and drive straight through to Pittsburgh, PA. We will spend Saturday night at Memorial Park Presbyterian Church. Sunday morning we will worship at Memorial Park and then drive over to the North Side of Pittsburgh. After a late breakfast/brunch at DeLuca's Restaurant we will check in to the Pittsburgh Project. The programs at the project actually begin Sunday afternoon and run until Saturday morning. E.T.C. will then travel to Sandusky, Ohio and Cedar Point Amusement Park. We will sleep at St. Stephen's UCC. Then its home to Iowa City Sunday morning.
