

SESSION HIGHLIGHTS

Session Highlights – February 2025

At its February meeting, Session lifted up several items of importance for the life of St. Andrew:

1. Finance Transition

Session authorized Walter Sparks, St. Andrew's new finance administrator, to have access to the church's bank accounts for informational purposes. This step ensures continuity in financial oversight and support for our ministry.

2. Volunteers Needed for Vacation Bible School

The Children & Family Ministry shared that planning is underway for this summer's Vacation Bible School. Volunteers will be essential to make this ministry a success, and all are invited to prayerfully consider how they might help.

3. ARC of Southeast Iowa Camp at St. Andrew

Session approved a request from the ARC of Southeast Iowa to host its summer camp at St. Andrew. The camp will run in two four-week sessions beginning in late June, while working around VBS and other ministries already scheduled.
