

Introducing the Inaugural

SAPC “4-something” Run / Walk

*Because every time we leave the doors of our building,
we go into the world for something!*

- **Saturday Oct. 20th; 9:30 AM start; 140 Gathering Place Lane**
- **Join for a group run, walk, or mix of moving fellowship**
- **Open course, please watch for traffic and supervise children**
- **Personal, National, and World Record* for 4.69 miles likely!**

Course will be marked and is entirely on paved sidewalks that are stroller friendly. In brief, turn right when you can't go straight! Start at front doors of St. Andrew Presbyterian Church (140 Gathering Place Lane), proceed to Camp Cardinal Blvd and follow sidewalk to the right until it intersects Clear Creek trail (restrooms and water available at shelter here). Follow main paved trail, staying right at only paved intersections. When you exit the trail, follow sidewalk along Hawkeye Park Rd to the right toward Melrose. Turn right on sidewalk along Melrose, follow to stop lights on Camp Cardinal Blvd, and proceed along sidewalk past the SAPC sign and back in along Camp Cardinal Road and Gathering Place Lane to the finish line. Beware of possible cross traffic along Camp Cardinal (3 roads), the parking lot along Hawkeye Park Rd (2 roads), and Melrose (1 road crossing). Enjoy!

All are welcome to stay after the Run/Walk for the “Coming Home Celebration” with socializing, food, music, and fun!

* Some limitations apply :)
